Pleasant Grove Strawberry Days

Car Show and Car Cruise

Sponsored by The Pleasant Grove City Honorary Colonels

Did you know? PG City's K9 named Havoc was injured and recently retired from service? Our new K9 named Django will cost about \$20,000. The PG City Police Honorary Colonels are raising funds to cover the costs of K9 for PG City. All costs will be covered through sponsorships for the Car Show and Golf Tournament, donation tickets and silent auction, and cash donations from the public and companies to purchase a new K9, equipment, training, medical care, food, etc. A second K9 will be purchased by the Honorary Colonels in 2020, so PG will have full time K9 service, costing about \$20,000 more. These K9 will be trained as dual-purpose dogs, for drug detection and suspect apprehension.
